

This is to certify that the Information Security Management System of:

**Comtech Telecommunications Corporation,
Terrestrial & Wireless (T&W)**

2401 Elliott Avenue, Suite 100
Seattle WA 98121
United States of America

applicable to:

The design, development, implementation and operation of 911 and location services to 911 agencies and telecommunications carriers. The services provided by Comtech T&W handle the transmission and storage of customer data relative to call routing and emergency call processing as well as location information in relation to phone number identifiers. In Accordance with the Statement of Applicability Version 7.0 6/24/2024

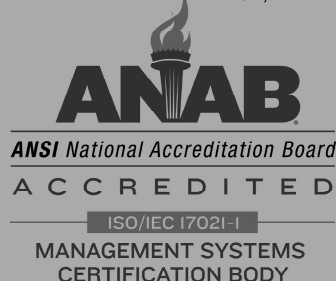

has been assessed and approved by National Quality Assurance, U.S.A., against the provisions of:

ISO 27001:2013

This registration is subject to the company maintaining an information security management system, to the above standard, which will be monitored by NQA.

A handwritten signature in black ink, appearing to read 'Mike S. Long', written over a large, faint, stylized 'nqa' watermark.

For and on behalf of NQA, USA
